AMENDMENT AND RESPONSE

This is in response to the Office Action dated September 7, 2004, the time for responding to which has been extended to and including March 7, 2005, by the petition and authorization for fee payment submitted herewith.

The Examiner's attention is called to the further Information Disclosure Statement and form PTO-1449 submitted herewith, with a copy of the non-US Patent references cited therein.

The Examiner's attention is also drawn to the inquiry at the end of the Remarks with respect to clarification of the status of the certified priority document, which should have been forwarded by the International Bureau. This priority document is listed as having been *received* in the Notification of Missing Requirements mailed December 6, 2001, but is noted as *not* having been received in the Office Action Summary mailed January 14, 2004.
